Hi Chip,

I was hoping to get a hold of an electronic copy of the 2009 Portland Harbor RI/FS Bioaccumulation Modeling Report (Draft). I've been able to find all of the other documents for the Site through the Lower Willamette Group Website except for this one. I've put in a request to the LWG through their website but have not heard any response. I also contacted John Toll of Windward Environmental and he suggested I contact you. Any help you could give me would be appreciated. Thanks.

Please feel free to call me with any questions, 360-515-7983.

-Thanks,

-Kara
